TO WHOM IT MAY CONCERN

Dear Sir / Madam,

As a patron of Hoylake Community Cinema, I am hugely excited to hear of the future aspirations surrounding the Hoylake Beacon project, and how it has been progressing.

I sincerely hope that with the support of Wirral Council and Wirral Chamber of Commerce along with aid and support from the Coastal Communities Fund, that this wonderful enterprise reaches fruition.

This project will deliver much more than new arts, entertainment and food & drink facilities. It will revitalise and inspire a community for generations to come!

Notwithstanding all the assistance and goodwill of individuals and companies in the area, this a golden opportunity to be a 'torchbearer'; illustrating the transformation of what a community – anywhere in the country – can achieve!

I sincerely hope that you will recognise this as a project well worthy of funding through the Crown Estates' Coastal Communities Fund.

Yours sincerely,

David Bradley
