Dear Madame Greenwood,

I am writing today to lend my support for the Coastal Communities Fund bid for the Hoylelake Beacon Cinema Project. This important project will bring the Victorian Town Hall in Hoylelake back into operation, will provide valuable learning skills for young people and sustainable employment for many in various creative and business capacities in the community.

I have had the pleasure of working with the award-winning Hoylelake Community Cinema on several tributes to my late husband, the legendary dancer, director and choreographer Gene Kelly, and I endorse their efforts without hesitation. They have demonstrated not only dedication and professionalism but also infectious enthusiasm and a commitment to excellence that would make Gene very proud.

I realize this is a hugely ambitious plan, but that, too, is something Gene would appreciate. I am confident that the people behind the Hoylelake Beacon Cinema Project are up to the task.

Sincerely,

  
Patricia Ward Kelly
